MEET YOUR *Designer!*

Rebecca McInnis

Owner | Designer

Creating a beautiful room starts with getting to know you, but first I would like you to know a little about me. I am a wife, mother of two children, and two fur babies. When it was time to choose a college, I followed my passion and stayed in my hometown, graduating from the Art Institute of Philadelphia for Interior Design. After school, I needed to feed my love of travel and became a flight attendant. In 1999, Delta Airlines landed me in Boston, MA where I fell in love with New England and never left.

In Canton Massachusetts is where I have established a home, family and RM Interiors as a representative of Decorating Den Interiors. Whether you enjoy surrounding yourself with time honored traditional design, or inspired, modern, cutting edge couture; it's my ultimate goal to design spaces that reflect your taste and lifestyle. By the room, by the project or your entire home, I am happy to discuss how we can work together. I want you to feel completely at home and in love with your space.

I look forward to working with you!

– *Rebecca*

"Rebecca is a talented designer and a pleasure to work with! She knows her craft and created a beautiful and functional space for my family room. She is budget conscious and provided a variety of options to fit my needs. I would absolutely recommend Rebecca to anyone who is looking to make a change to the overall look and feel of their home. Looking forward to my next project with her!"

"I had a wonderful experience working with Rebecca. She helped my husband and I pick paint colors, consider a living room layout, and ultimately purchase and install window treatments which changed the whole look of our home. She has great taste, is extremely punctual, and really listened to our needs. We definitely plan to work with her for any future home projects!"

- Miriam Fine

"Was having a difficult time with my living room. It is a smaller sized room, and we love to entertain and was looking to maximize seating. Rebecca was so wonderful to work with. She really listened to what our needs were, and came through with fantastic ideas and a couple of beautiful and functional pieces. We are finally enjoying our living room!!"
